PREFACE

This publication is a listing of all Municipal Judges in the State of South Carolina which has been compiled as an aid to these Judges.

The formatting setup is the same as that used in the Guide for Magistrates because of its simplicity. We do, however, encourage suggestions for improvements in order to make it a workable directory for everyone.

All information has been set up alphabetically, first by the name of the county with the county code, followed by the name of each judge in that respective county. However, unlike the Guide for Magistrates, Court Administration does not assign a judge code for Municipal Judges, therefore, each judge is listed in alphabetical order followed by his address(s), phone numbers where he can be located either at his place of business (if serving part-time), judicial office or home, succeeded by trial hours and/or office hours, if any.

As the turnover is so great with Municipal Judges, it is a continuous challenge to keep this information accurate from week to week. Please be patient. We ask for your cooperation in maintaining an accurate Guide as our main goal is to supply you with a useful tool, and without input from you, this will be virtually impossible. We ask for you to notify us of changes, omissions, resignations, additions, etc.

The legal staff at the South Carolina Criminal Justice Academy would like to thank the Municipal Judges, Court Administration, and Elizabeth McDermott who has collected, assembled and finalized all information for publication. A special thanks to everyone involved for their efforts required for the assemblage of our second publication of the Guide for Municipal Judges.
